Re: Nebraska Republican Federal Campaign Committee
Identification Number C00032334
July Monthly Report (6/1/05-6/30/05)

This letter is in response to the commission's letter dated September 23, 2005, referencing the July Monthly Report. The commission requested additional information regarding the limited amount of administrative expenses disclosed on Schedule B supporting Line 21(b) for the months of May, June and July.

The commission noted that our committee's May, June, and July Monthly reports disclosed limited payments for administrative expenses. Because the months in question fell during an off-election year, our administrative costs were lower than normal and our reports reflected this fact. All expenditures were disclosed on the original report as required. The administrative expenses included all costs associated with daily administrative activities including: utilities, office supplies, office equipment, telephones, etc. Additionally, all employees who spent more than 25% of their time on Federal election activities or activities in connection with a Federal election were disclosed on Schedule B supporting Line 30(b). Additionally a Schedule H1 indicating the committees fixed percentage was included with each report.

Sincerely,
Jessica Moenning
